Robin

This is the IA that was written specifically for Dan Wall's work and is NOT IA DW 14 95400501-8 which is the one I am managing and I still approve invoices for that IA.
Thanks, Jean

Just double checking on the IA number. Is it the ECotox effects: DW 14 95400501-8?

Dan and Jean, do you have files on this to add this quarterly. I think the invoice came to me to

pay so I just need you to verify it is ok to pay.
